

Working Groups Events Archive

There are five events within the PHUSE [Working Groups](#) which allow for collaboration across all projects. These events provide team members with the opportunity to build connections, whilst sharing their knowledge and ideas. Catch up on previous Working Group Events below and visit the [PHUSE website](#) to find out what events are in store for 2024.

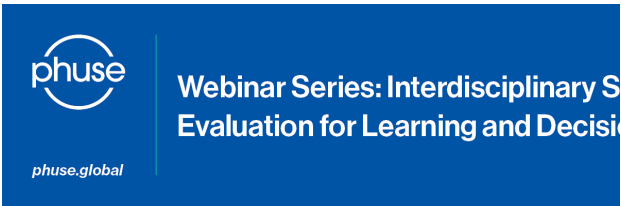

[blocked URL](#)The PHUSE CSS is an FDA co-sponsored, US-based annual Working Groups event providing the opportunity to work with industry, regulatory agencies and academia. This interactive event allows you to actively participate on pre-defined topics aligned with Working Groups activities. All event content can be found on the [PHUSE Archive](#).

PHUSE Data Transparency Events take place twice a year, once in the Summer and once in Winter, in bitesize afternoon chunks from 15:00 to 17:30 (GMT). The events look to meet the ongoing needs of data transparency within the clinical development arena and features thought-provoking presentations, panel discussions and Q&A sessions from experts in the data sharing field.
