Data Transparency Summer Event 2020

The PHUSE Data Transparency Summer 2020 Multi-Day Event (3–5 June 2020) was a huge success, gaining a 98% satisfaction rate from our attendees. The event brought together engaged individuals on a global scale, and we thank all involved for contributing to what was a brilliant event. At PHUSE we pride ourselves on quality, and continually strive to deliver content of the highest standards to the PHUSE Community, encouraging conversation and engagement to drive industry research forward. Social distancing for large events is here to stay, and we are pleased to be able to still offer you the high standards of our face-to-face events.

Thank you to our DT Summer Meeting 2020 sponsors...

A big thank you to all of our sponsors of the DT Summer Event 2020. This virtual event allowed us to screen our sponsors' promotional videos in between presentation intervals, which was well received by our attendees.

"The event was fantastic. We were very pleased with the event as a platform sponsor, and I personally found the multi-day structure and supporting technology worked perfectly as an audience member. Really well done."
